

MEMBERSHIP 2022

**strength in
numbers**

Essential to the future of the Orthotic and Prosthetic profession in South Africa, is a strongly supported member organisation to unite and represent members on various fronts.

RECOGNITION

SAOPA is a well established and recognised brand within the local and international orthotic, prosthetic and related industries environment. Let us build on this foundation to bring more stability and ever higher standards to our profession.

SOUND GOVERNANCE

Elected leadership, from within a group of highly dedicated and passionate professionals, ensure transparency, proper governance and constitutionally guided representation and strategy.

PARTICIPATION

SAOPA was created by members to allow active involvement and stakeholder engagement by them or duly mandated & professional representatives in matters that affect them, their patients and the sector they are active in.

STRATEGIC FOCUS

As a not for profit organisation, SAOPA has no commercial interest, thus supporting objectivity and unbiased action in utilising all income to the benefit of members, while constantly exploring options to add tangible value for members.
